About us

ABOUT THE HOSTS

Hosting has been a lifelong dream of mine, and I feel incredibly grateful to now be living that dream. I am a relaxation massage therapist, working from home, and I truly love what I do. Creating a space where people can unwind, recharge, and feel cared for has always been at the heart of my work.

Combining my passion for massage and wellness with a home-based BnB felt like the perfect fit—bringing everything together into a peaceful, nurturing retreat. It brings me so much joy to share this space with others who are looking to relax, reset, and focus on their wellbeing.

My husband, Andrew, works as an accountant at Zealong during the week and spends his weekends enjoying his passion for golf. If you're looking for recommendations on the best golf courses to play around the Waikato, he would be delighted to have a chat and share his local knowledge.
